Activities that Both Occupations Have in Common		Similarity of Focus Occupation to Associated Occupation: 77
Focus Occupation: Environmental Scientists and Specialists, Including Health (19-2041) Associated Occupation: Forestry and Conservation Science Teachers, Postsecondary (25-1043)		
Work Activities	Exclusivity of Activity	
Advise governmental or industrial personnel	28	
Conduct field research or investigative studies	52	
Conduct laboratory research or experiments	57	
Direct and coordinate scientific research or investigative studies	27	
Use knowledge of environmental laws and regulations	76	

Not all positions in these occupations will necessarily perform all of the listed activities. The exclusivity rating is an indication of how unique the activity is amongst all occupations. The maximum rating is 100. High scores indicate that only a small number of occupations engage in that activity.
